their action, Minsk advised that they had not directed the matter but that MARINA OSWALD's uncle, who was a lieutenant colonel in the local militia, had voluntarily approached OSWALD and requested that he not be too critical of the Soviet Union upon his return to the U.S. Source commented that when Minsk was originally requested to furnish a summary of OSWALD's file, they were not aware of the international events that took place, therefore, in an attempt to ingratiate themselves with the KGB center in Moscow, had included the statement concerning their endeavors to influence OSWALD in the right direction.

Source stated that the KGB was upset over the OSWALD affair and had a staff of employees called in to work. The file was reviewed in detail to make sure that the KGB did not utilize OSWALD as an agent.

Inquiry was made concerning MARINA OSWALD, and source advised that the wife of OSWALD was not in the employ of KGB as an agent. He stated she was regarded as not a particularly intelligent person, but stated she had been a member of the Komsomol but was dropped for nonpayment of dues over a long period. Source advised that she was permitted to leave Russia with her husband but this was not significant since there was no objection from KGB and that under the law since the death of STALIN, it is possible for a Russian wife to depart the Soviet Union with her foreign husband. Source again stated that OSWALD had never worked for KGB.
